Identical letters dated 19 April 2018 from the Permanent Representative of the Syrian Arab Republic to the United Nations addressed to the Secretary-General and the President of the Security Council

Following the previous letters I have addressed to you regarding the repeated and continuing terrorist attacks by armed terrorist groups on the city of Damascus and its suburbs, and upon instructions from my Government, I would like to inform you that on 15 and 17 April 2018, those terrorist groups targeted residential neighbourhoods in Damascus with 17 rocket-propelled grenades, killing 2 civilians and wounding 10 others, in addition to causing serious damage to public and private property and infrastructure.

It would be highly appreciated if the present letter could be circulated as a document of the Security Council.
